

M&H (Milk & Honey) Ministries Global Education

“to a land flowing with milk and honey.” (Exodus 3:8)

Milk & Honey Ministries global education program is dedicated to sharing the Good News of Jesus Christ through Christian literature, International Christian schools, and worldwide humanitarian aid from the heartland of the United States - Kansas. We want to help our students grow in appreciating world cultures as well as their own culture, so that they may see God’s creative work in the world. We offer programs inside the U.S. for Middle school, High school, and College students, including Summer camps, Winter camps, Basketball camps, and Music camps, and more. We also offer opportunities outside of the U.S., which include touring Israel, Europe, Africa, or China, learning Chinese, teaching English, and helping with VBS in China. Milk & Honey is also affiliated with International schools in Burma, China, Haiti, Romania, Brazil, Lebanon, and Cambodia.
