*"Sing unto God, ye kingdoms of the earth; O sing praises unto the Lord;  
Selah!" -Psalm 68:32*

It was a great trip for those seniors and their family members who went on the trip to the Bahamas. We were shown outstanding hospitality by the people of Spanish Wells and they allowed us to dive to visit sharks and turtles! They even provided a ride across the ocean to Nassau when the ferry broke down and couldn't take us across. The Christian fellowship and great time will be remembered by all.

There is a Science Fair and Creation Seminar being held here at Sunrise. We are looking forward to all of our students being allowed to view the displays and enjoy the presentations.

## ELEMENTARY NEWS

Elementary parents please remember that April 3<sup>rd</sup>-6<sup>th</sup> is SAT testing week. Please follow these guidelines to help your child do their best during testing week.

1. Please make sure that your child gets a good night sleep.
2. Please make sure that your child eats breakfast.
3. Please have your child to school on time.
4. Please don't schedule doctor or dentist appointments. Students that miss tests will make them up during a recess or in the summer.

Thank you for your support in helping to make this a successful week for the students.

Reminder: Students - you are responsible to get your work made up if you miss for travel, or a sports event.

SrHi students, remember that if you miss school for non-school related events, including AAU basketball, you must have a sheet signed by each teacher prior to leaving. Work also must be made up in advance when you miss for this reason.

### **SAT Testing for 6<sup>th</sup>-9<sup>th</sup> Grades**

6th-9th grades will be taking SATs on Tuesday and Wednesday April 4th and 5th.

**We will start promptly at 8 am.** Test room assignments will be posted in the hallways and announced in classes the week before. **Please do not be late or schedule appointments on those days. Students who miss any portion of the test will have to make that up by April 14th.**

Please have 2 #2 pencils (not mechanical), an eraser, and a book to read.

Approved calculators are allowed for 6th-9th grades.

9th graders with 4th hour lunch will eat during 5th hour in the Old Gym.

Thank you for your cooperation during this important time for our school!

# Sunflower Education Equity Act

Senate Bill 83

**CALL TO ACTION!**

SCA Parents- Please contact your State Senator and tell them you support "SB 83 The Sunflower Education Equity Act!"

To find your State Senator, go to: [openstates.org](https://openstates.org)

Senate Bill 83 known as the "Sunflower Education Equity Act" is a bill that will provide an Education Savings account of \$5,000 per student that can be used to cover tuition, books, tutoring and other educational expenses. This would be a huge win for those who desire a Christian education for their children.

## Career Day

Friday,  
March 31st

Volunteers  
Needed

Provided

We want to show our high school students how they can use their God given gifts in their careers and glorify God through them.

We are looking for volunteers to speak about their careers and inspire our students.

We are looking for someone to help underwrite the cost of Career Day.

We will have lunch, small prizes, and career testing.

This is a great scholarship program to apply for to help with tuition costs. Attached to this newsletter is an information page about the scholarships or you can follow the links below for more information!

**Deadline to apply is April 18<sup>th</sup>!**

## WHO WE ARE

Our vision is that every child has access to a quality education. Since 2000, ACE has provided more than 66,000 scholarships to children from low-income families totaling nearly \$170 million and established partnerships with almost 900 private schools across the country. Since launching in Kansas in 2016, ACE families have accepted more than 2,200 scholarships totaling nearly \$5 million. ACE Scholarships has also established partnerships with 53 partner schools throughout the state.

## WHAT WE DO

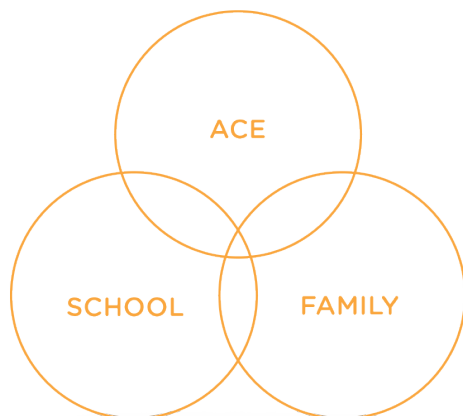

ACE offers partial tuition scholarships to students from low-income families so they may attend the private school of their choice. The ACE scholarship follows the child throughout their K-12 education.

### Does my child qualify for a scholarship?

ACE scholarships are based solely on family income. See the chart for ACE Scholarships' financial eligibility.

#### ACE SCHOLARSHIPS - FINANCIAL GUIDELINES

HOUSEHOLD SIZE	2023 FEDERAL POVERTY GUIDELINE	ACE MAX. QUALIFYING INCOME
2	\$19,720	\$69,020
3	\$24,860	\$87,010
4	\$30,000	\$105,000
5	\$35,140	\$122,990
6	\$40,280	\$140,980
7	\$45,420	\$158,970
8	\$50,560	\$176,960
<hr/>		
EACH ADDITIONAL PERSON ADD:	+\$5,140	+\$17,990

### Who pays what?

An ACE scholarship will pay up to a maximum of \$3,000 per year for grades K-8 and \$4,000 per year for high school, not to exceed the total cost of the school's tuition and fees. The families are responsible for working out a payment plan with the school for the remainder of the tuition.

THE RIGHT SCHOOL CAN HELP CHANGE THE STORY FOR A CHILD IN NEED.

## Which schools participate?

A wide variety of private schools participate in the ACE Scholarships program. It is up to the families of potential scholarship recipients to select the best school for their child. ACE Scholarships provides financial support for the student but does not own or operate any of the schools. To see a complete list of ACE partner schools, visit [acescholarships.org/become-a-scholar/kansas/](https://acescholarships.org/become-a-scholar/kansas/). Don't see your private school choice on our list? Tell the school administration to contact ACE Scholarships about partnering with us.

## The ACE scholarship can follow your child.

If your child is awarded a scholarship, those funds are portable during the school year and may be used at any partner private school. So if the private school you select ends up not being the right fit, you can transfer your child to another partner private school, and the scholarship goes with them.

## How do I apply?

The application for an ACE scholarship is completed on a website called FACTS, at the link and QR code below.

### For families new to the scholarship opportunity:

1. Confirm that you qualify for an ACE scholarship based on the financial guidelines listed in the chart on the previous page.
2. Identify the right ACE partner private school for your child.
3. Complete the school's application and enrollment process for your child. If the school you are applying to also uses FACTS for their school application, select that you are applying for an ACE scholarship on your school application (this is a key step!). If the school you are applying to does not use FACTS for their school application, you will create a FACTS log-in and start a new application.
4. Ensure that your application is complete, including supporting documents, and submit!

### For families already receiving the scholarship:

\*It is imperative that the application is submitted and complete in order for your child to remain on scholarship.

1. Complete the school's application and enrollment process for your child. If the school you are applying to also uses FACTS for their school application, select that you are applying for an ACE scholarship on your school application (this is a key step!). If the school you are applying to does not use FACTS for their school application, you will create a FACTS log-in and start a new application.
2. Ensure that your application is complete, including supporting documents, and submit!

**For any questions on the process, please contact (856) 746-6521.**

You will be routed to either ACE or FACTS depending on the nature of your question.
