At least 3 sets of clothing
Flashlight

Tennis Shoes are better than flip flops!!!

Any shorts that you plan to wear need to be knee length and no sleeveless or tank tops. On the day students are returning to school, they need to have nice jeans and a clean Sunrise t-shirt.

Note: There is no charge to attend SEW (costs are paid by the school). However, we will have Buff 'n Stuff set up at camp for purchasing extra food/snacks. Please send spending money (we suggest at least \$30) with your students for these things. If you want to buy a camp shirt or hat, the cost is approx. \$20 per item.
