Dear Parents, Students and Faculty,

Don't you love this exciting time of the year? This is the time that we get to see what our students have worked on throughout the year. Sometimes this includes a concert, sometimes a sporting event and for all of them it includes their grades! Here are some items of importance as we come to the final two weeks of school...

Congratulations to Mrs. Hamlin and Mr. Colwell for their outstanding band and orchestra concerts. They were enjoyed by all. We are so proud of how our students have grown in their musical abilities. At the school, we look forward to expanding meaningful opportunities for our students in every area, including the fine arts area of education.

Congratulations to Mrs. O'Donnell and the **Lifesmarts Team** who competed in Chicago at Nationals on April 24-28!

GET YOUR JEANS ON!

This Friday, May 9th, we will have a special Jean Day to support the National Honor Society. They are the ones who sponsored our service day in the community. What a success it was! Dozens of projects were completed in a variety of places. On Facebook, you can see the tribute with photos that the city of Bel Aire gave us. Comments have come in from many individuals that we were able to help. We think it is so important for our students to learn how to serve others and the community they live in. Ultimately, we want them to be true servants of Jesus Christ.

The cost to wear jeans on Friday will be \$5 which means jeans, an SCA shirt or for seniors a shirt representing their selection of a college they plan to attend. Please, no sweatpants. Thank you, NHS, for a great job on service day!

Monday, May 12th is a special day for the SCA Class of 2025.

They will start by going out to breakfast with Mrs. Ploeckelmann and Mrs. Schultz. They will be given details and the cost in their English classes.

Then at 1:20pm, we will have our Senior Awards/Recognition Chapel in the Auditorium. Parents of Seniors (and other parents who would like to come) are invited to attend. The scholarship amount offered to these students is \$1.8 million and climbing! We look forward to honoring them and all of their accomplishments.

- ★ Last day for Seniors is May 12th.
- ★ Graduation is May 19th.
