Dear Parents, Students and Faculty,

Our students are excited about Fun Night this coming Saturday! Please see the enclosed flyer to sign up! Natalie McElroy and her team have designed an evening that will appeal to all - whether it's the car show, the inflatables, mini golf, the various kids competitions and for many of us, the outstanding food. The basic theme of Fun Night is... Fun, Fellowship, Food. Come and have an enjoyable evening with parents, faculty, staff and of course our children and students.

*Plan to come out in the perfect weather (watch football on a big screen) and vote for your favorite car!*

## Lost & Found

We have a ton of items in Lost & Found, many of them left from SEW. They have been put on the table in the back of the auditorium. We have tried to get students to walk by and claim hats, shirts, pants shorts, shoes and even Bibles. Items not claimed by this Friday will be either put in lost and found or if it's all clothing, we will put it in a trash bag to donate. Please take a moment to stop by the four tables in the auditorium.

Several of you have been asking about my new book on prophecy. It is finally available! You can pick one up in the office for \$20 and save the shipping by picking it up.

## SENIOR TRIP LEAVING NOVEMBER 24<sup>TH</sup>!

Because of the conflict in the Middle East, the Senior Trip for next November will be to Thailand and Burma.

**I know several have been deciding whether to go or not, but we need to remind you that this Friday, September 26<sup>th</sup>, is the absolute deadline!** We must purchase airline tickets by then, SO LET US KNOW!

Ben Ferguson, an SCA alumni, is teaching guitar, bass guitar, and ukulele in room 1016 at SCA after school (3pm-whenever) on Mondays, Tuesdays, and potentially Fridays, depending on how much interest there is.

I've taught off and on for about 14 years, I studied guitar at WSU while pursuing my Engineering degree, and I've played worship music and all kinds of other stuff for years.

For pricing, it really depends on the family, but when I'm teaching outside of the school, it's about \$30 per lesson. But I work with families and students based on their needs.
