“Happy is that people, that is in such a case: yea, happy is that people, whose God is the LORD!” -Psalm 144:15

Thanks to all of you who attended the two All School Meetings. We were encouraged as we saw people's response to the new Beta building! The first phases of building it will start by the end of February. If you missed the meeting, please contact the school office.

Please continue to pray for two of our faculty members with cancer: **Kayla Bauer and Katie Epp**. Both are so thankful for your prayers and support!

Thanks to all who attended the Joshua Project Conference! It was an amazing conference on all things Creation. The sessions can be watched on the Bible Truth in Prophecy YouTube channel!!!

**Pray for our school daily and watch your
newsletter for many important dates
and events coming soon!**

Thank You!

My family and I have been so overwhelmed by the outpouring of help and donations that were received through the walk a thon, jean day and the dodge ball tournament. It is a testimony of compassion and loving kindness of my beloved SCA family. The Lord has lavished His love on me in so many ways through this difficult journey. It has been a privilege for 9 yrs. to live the desire of my heart everyday. It was never a job, but a love of my life. I miss very much my sweet precious students and staff family. I do cherish and treasure all the donations, signs, cards, text messages, videos and visits to my home. God has been so Faithful and good to me. I praise His Holy Name, All Glory and Honor to Him alone!!

Love and appreciation, Kayla Bauer and Family

Is Buff Backers Booster Club for You?

We are a group of parents dedicated to both the support of our amazing Sunrise teachers, and projects that benefit our student body as a whole.

A few ways we have shown support this past year, has been by providing fun, edible gifts during Teacher Appreciation Week, serving a meal for In Service day, and celebrating Staff Birthdays with Crumbl Cookie.

Buff Backers takes the opportunity to make a sustainable difference on our campus, like the much needed remodel of the old gym kitchen. We have also purchased items for projects and departments that make a difference for years to come.

If being part of the Buff Backer team is for you, or you would like to support by possibly becoming a business sponsor, please contact us for more details
